This is Brandi Wine

OVERVIEW

BRANDI WINE represents an extraordinary opportunity to acquire Hargrave's largest and most ambitious raised pilothouse motor yacht ever constructed. This meticulously maintained 114-foot masterpiece showcases the pinnacle of American yacht building and has undergone a series of comprehensive refits.

"BRANDI WINE offers an unmatched proposition."

UNMATCHED RECENT INVESTMENT

What sets BRANDI WINE apart from any comparable yacht on the market is the staggering level of recent investment in her systems and amenities. While most yachts of this vintage require significant updating, BRANDI WINE's current owners have systematically replaced, rebuilt, or upgraded virtually every major system aboard. From the complete \$100,000 hydraulic system overhaul in 2022 to the brand-new 2025 Bluewater watermakers producing 3,600 gallons per day, this yacht is essentially turn-key and ready for immediate cruising or charter operations.

Specifications

DIMENSIONS

LENGTH	114' (34.75m)
