DOROTHY ANN

2013 PERSHING 82

ASKING: \$1,750,000 | LENGTH: 81'11" / 24.98 M | YEAR: 2013

A refit-forward Pershing 82.

DOROTHY ANN is a 2013 Pershing 82 from Pershing S.p.A. and Ferretti Group, styled by Fulvio De Simoni over Ferretti Engineering naval architecture.

Her recent 2024–2025 owner-funded program refreshed the sport-yacht profile with custom paint, renewed teak, salon and upholstery work, Starlink, audio upgrades, air-conditioning work, and current main-engine and surface-drive service.

The lower deck carries three ensuite guest staterooms for eight sleeping guests, with aft crew quarters and a main deck arranged around the enclosed helm, salon, cockpit, flybridge, and foredeck living areas.
