## **Description**

Speed, precision and rugged durability combine to create PARALLAX - an entertainer's dream platform. A 2024 LEKKER 44 that embodies everything this iconic brand represents: blistering performance, surgical precision, and social design that brings people together on the water. The Lekker design has been carefully crafted with European design excellence to meet American clientele's needs.

Built from lightweight aluminum and powered by twin Volvo Penta D6 440hp sterndrives, she delivers an exhilarating ride with complete control, whether you're cruising along Florida coast or island-hopping through the Bahamas - or even desiring a new tender to get you to and from your yacht.

With just 220 engine hours on the clock, this vessel is essentially new, yet already equipped with over \$200,000 in premium upgrades, including a Seakeeper V3 gyro stabilizer, 8KW generator, air conditioning, and a comprehensive recent service. The striking Graphite Grey creates a sophisticated aesthetic that turns heads at every dock.

From the spacious swim platform to the dual sunbeds and climate-controlled cabin, every inch of this 44-footer has been thoughtfully designed for unforgettable days on the water with friends and family.
