

IKONIC YACHTS

132' / 40.23M BENETTI CLASSIC SUPREME 132

PATIENCE

2012 / 2024 · 12 GUESTS IN 6 STATEROOMS

AT A GLANCE

Six staterooms. 2024 finish.

Globally recognized as the finest example in the market today of the Classic Supreme Series, PATIENCE is one of only thirteen Classic Supreme 132 hulls ever built and the only one configured with six guest staterooms.

BUILD / REFIT

2012 Benetti build with Stefano Righini exterior design, Francois Zuretti interior work, and a Patrick Knowles 2024 redesign over the 2019/2020 mechanical reset and 2022 cosmetic refresh.

PRIVATE / CHARTER

RINA class, MCA Unrestricted commercial compliance, Cayman flag, crew of seven, Starlink, upgraded Benetti BEST monitoring, and dual Idromar watermakers.

GUEST PROGRAM

Forward main-deck master with private office, walk-in closet, foldout balcony, soaking tub, and separate shower; five additional ensuite guest cabins complete the six-stateroom plan.

DECK PROGRAM

Two jacuzzis at 132 feet – one sun deck, one bow – paired with the rebuilt aft glass bar, 55" television, hardtop dining, sunpads, and integrated bow seating.

Why PATIENCE stands apart.

01

2024 Patrick Knowles Refit

Interior redesign, Starlink-anchored AV upgrade, new galley cabinetry and equipment, new linen across all guest cabins, and a rebuilt sun deck with glass aft bar, 55-inch television, and forward hardtop dining.

02

Six-Stateroom Configuration

The only Classic Supreme 132 configured for twelve guests across six ensuite staterooms, including a converted sixth cabin with queen berth.

03

Two On-Deck Jacuzzis

One jacuzzi on the sun deck and one on the bow create two independent entertainment zones across three levels of alfresco living.

04

Forward Master with Foldout Balcony

The forward owner's suite includes a private office, walk-in closet, port-side foldout balcony, soaking tub, and separate shower.

05

Naiad Zero-Speed Stabilization

Twin Naiad zero-speed stabilizers operate at anchor and underway, paired with a Naiad bow thruster and dual Idromar watermakers.

06

3,500 nm at 10 Knots

Twin MTU diesels deliver 12 knots cruise, 15 knots maximum speed, and 3,500 nautical miles of range at 10 knots.

CAPABILITY

Private comfort. Charter capability.

She accommodates twelve guests across six ensuite staterooms, runs with a crew of seven, and is RINA-classed and MCA Unrestricted commercial-compliant under the Cayman flag.

Twin Naiad zero-speed stabilizers, a Naiad bow thruster, dual Idromar watermakers, full Starlink, and the Benetti BEST monitoring suite upgraded in 2024 round out the systems package.
